

Proposal Form

Name: Magnus Skare

Overview of the project

For my NLT2, I aim to work as a in-house designer and web developer for Riktig Spor. I wish to develop and design websites and web applications – with a strong focus on performance and user experience. I hope to expand my comfort zone and explore dynamic web content, content management systems, e-commerce and project management.

What key opportunities will this task offer you in the following areas

1. Creative Practice

- Adapt design skills to any given client brief
- Learn about industry standard approaches

2. Technology

- Learn and experience industry standard tools and frameworks
- Expand knowledge in PHP
- Expand knowledge in content management systems (CMS)
- Expand knowledge in server management

3. Processes

- Learn about the industry standard approach to client briefs
- Learn and adapt to a company workflow and process

4. Critical Analysis

- Analyze the different work approaches in different companies
- Find the most attractive skills for a potential workplace

Learning Outcomes

Please indicate how each outcome will be met in relation to the key opportunities that you have described above (Drag the ticks to the appropriate boxes add more if needed)
