## PERSONAL STATEMENT

Over the past two years I have been working in web development and design. I moved from design to development due to the frustration of not being able to make my own ideas a reality. Currently working as a web developer and designer for Riktig Spor in Bodø, Northern Norway.

## SELECTED WORK EXPERIENCE

Designer & developer — Riktig Spor

Designer — First Option Software

Journalist — Avisa Nordland

Freelance web designer

## SPECIALITY

Web design & deployment

Web performance

## SECONDARY

General design

Photography

Film

## FUTURE

I hope to continue working as a web developer, and exploring the landscape even more. I want to work with larger clients and with the freedom to build custom and beautiful websites for good people.
